It is noted that you made the claim in or on both media platforms, the Fayetteville Observer and the Sheriff Ennis W. Hate crimes affect the security of our county, our state, our country and societies as a whole. Such crimes will not be tolerated."*

Fuck U Cracker ! No Justice No Peace I'll Put My Kneee On The Back Of Yo Daughter Head Bitch

I, Jerry W. Schrecker do hereby state that on the date of Monday, June 1, 2020 – 11:59 pm, defendant did willfully and unlawfully cause to be transmitted a threat I, Jerry W. Schrecker, received by electronic communication (Facebook Messages, an electronic mail system), words and language threatening to inflict bodily harm to the person of my daughter-in-law causing me to fear for her life, said words being ***"Fuck U Cracker ! No Justice No Peace I'll Put My Kneee On The Back Of Yo Daughter Head Bitch"***, which I understood to be a clear and convincing threat to injure or kill my daughter-in-law in the same manner that George Floyd was allegedly killed, said words designed to induce fear and anxiety, and in fact were harassing and did induce fear and anxiety, from the Facebook account holder whose profile name is depicted as ***"Ericc Hamilton"***, and that this electronic communication was originally received in this State, the State of North Carolina and that this electronic communication was first viewed by any person in this State, said person being Jerry W. Schrecker. As such, all elements of this crime have been satisfied. I respectfully request that my constitutional right to equal protection under the law be upheld as was sworn in Sheriff Ennis W. Wright's oath of office and as was demonstrated and reflected in the case involving the victims of Lacy Kornegay and that the crime punishment enhancement N.C.G.S. § 14-3(c), Punishment of misdemeanors, infamous offenses, with ethnic animosity, be applied to the N.C.G.S. § 14-196.3(b)(1) – Cyberstalking charge in accordance with Sheriff Ennis Wright's legally binding public statement that *"The Cumberland County Sheriff's Office as a law enforcement agency has zero tolerance for criminal acts that are motivated by bigotry, bias or prejudice toward particular groups of people. Hate crimes affect the security of our county, our state, our country and societies as a whole. Such crimes will not be tolerated."*, in that the defendant's threatening words and language contains racially derogative and inflammatory language, the racist epithet "Cracker", which is evidence of ethnic animosity and is offensive to my mixed race of both Black and White as evidenced by my DNA.

A criminal social media post made on June 1, 2020, in which the person making the post made derogatory statements used abusive language toward a specific ethnicity, has led to an arrest of a person for the crime of Ethnic Intimidation.

The inflammatory online post and conversation maliciously listed a false address, leading readers to believe the person who made that post lived at the address and so much as encouraged people with dissenting opinions to come to that residence. Yet, the address was not actually that of the person posting and, in fact, was the address of innocent victims – who were unaware of the post – of the person who posted the false information and racially motivated post.

As a result, during the late night hours, the victim at this residence experienced persons, who were unknown to the victims knocking on the door and attempting to gain entry, even claiming to be a pizza delivery driver, whom the victim told through the door to leave. When the victim told him he did not order pizza, the individual left.

On June 2, 2020, the victim exited his residence and found that his vehicle had, in fact, been damaged.

After reviewing the online posts and conversations and investigating the social media account belonging to the suspect, 21 year old Lacy Kornegay, Sheriff's Office Detectives charged Kornegay with Ethnic Intimidation and Disorderly Conduct, both misdemeanors.

Kornegay was arrested and taken to the Cumberland County Detention Center for booking. The magistrate set Kornegay's bond at \$ 500.00 unsecured pending her next court appearance in August.

The Cumberland County Sheriff's Office as a law enforcement agency has zero tolerance for criminal acts that are motivated by bigotry, bias or prejudice toward particular groups of people. Hate crimes affect the security of our county, our state, our country and societies as a whole. Such crimes will not be tolerated.

**"To be considered black in the United States not even half of one's ancestry must be African black. But will one-fourth do, or one-eighth, or less? The nation's answer to the question 'Who is black?' has long been that a black is any person with any known African black ancestry. This definition reflects the long experience with slavery and later with Jim Crow segregation. In the South it became known as the "one-drop rule," meaning that a single drop of "black blood" makes a person a black. It is also known as the "one black ancestor rule," some courts have called it the "traceable amount rule," and anthropologists call it the "hypo-descent rule," meaning that racially mixed persons are assigned the status of the subordinate group. This definition emerged from the American South to become the nation's definition, generally accepted by whites and blacks. The one-drop rule has long been taken for granted throughout the United States by whites and blacks alike, and the federal courts have taken "judicial notice" of it as being a matter of common knowledge. This American cultural definition of blacks is taken for granted as readily by judges, affirmative action officers, and black protesters as it is by Ku Klux Klansmen". ~ F. James Davis: Professor of Sociology, Illinois State University**

Furthermore, it is scientifically recognized that the average human body has approximately 120,000 drops of blood in it. Mathematically 1 drop of blood equates to 0.0008333 percent. This means that under the one drop rule only 0.0008333 percent of genetic material present by blood DNA content is required to be racially classified as "Black".

I swear that the information in this document is true and correct to the best of my knowledge.

Sincerely,

Jerry W. Schrecker,
