Jim Schneider · 1st Grade Teacher
Ahhh... The new leader is trying to promote herself at some kind of expense. Unfortunately for her, she's not the first to do this and she won't be the last. Unfortunately we have got the schedule.

Mr Schneider not driving for non-existent traffic violations but all the cars parked on the street. Maybe you should have a talk with the nursing 3 figure old lady experiencing a prime office before complaining about the parking situation
